Agreement

This is an important legal document, read carefully before signing!

Even with the traffic control and EMS on site, I realize the event is physically strenuous, possible adverse weather, and there may be vehicles on the course. I nevertheless wish to compete and assume the risk on any injury at the crowded start, or on the course. I give up any claims for injuries that I may sustain, including death, and agree to hold harmless, "The Milk River Catfish Crawl," its directors and officers, employees and volunteers, suppliers, contractors, sponsors, the State of Montana, and anyone else connected with the race. I agree that the race may use any photos taken of me without compensation. I have read and understand the Waiver of Liability for The Milk River Catfish Day Catfish Crawl. I am making this agreement and paying my entry fee in exchange for the privilege of competing in this race and using the facilities provided by the race.
